Comments: Ethics is one of the only classes I have taken at this school that I found to be useful and applicable in my daily life. The teacher always took time to explain the theories and make them relevant to our line of study. She is the only instructor I have had that has used the technology to its full potential.

Dr. Bowser,
 You were an awesome teacher. I love your method of teaching with your website, if it wasn't for your website with notes - I would have fallen short. You have a way of explaining things to meet everyone's needs. I would definitely take another course with you!

Comments: Dr. Bowser was a great teacher to have, who opened me to new ways of thinking about myself and everything around me. The website she used for our assignments was very helpful. I do wish though that we could have learned more about Gandhi like Lennon and Gandhi. I believe in fighting violence with non-violence. All in all this is a great class and I feel everybody should take it. I leave this class feeling smarter and more insightful.

Comments:

The instructor has a great sense of humor, I liked her comparisons to everyday life. The only thing I didn't like was the submitting online only, because I currently have no online access, it was difficult to turn many projects in. But overall, she was definitely the best teacher I had this semester. I also liked how she wanted to be involved with the class during discussion, and she's very easy to talk to.

Comments:

Mrs. Bowser is very well informed to be teaching this course. She connects the subject matter to real life situations. I only hoped homework questions would be more explained, the process of reading and analyzing the text to answer questions was clearer. The website was excellent for notes and keeping up to date for class. Mrs. Bowser is understanding and entertaining in a class that requires critical thinking & hard work.

Comments:

Dr. Bowser I really enjoyed this class. No at first I didn't think I would because I really have no interest in ethics. But you made it fun and interesting. I sometimes find myself talk about stuff we talked about in this class to my family also my friend without even knowing it. I think because of this class I'm more interested in stuff going on around the world. I think you have a good class when your teacher is doing an ~~excellent~~ ^{great} job and you did.
